(Amending certain collective bargaining agreements)

Certain Unions representing employees at the City of Seattle have formed a coalition (herein referred to as “Coalition of City Unions”) to collectively negotiate the impacts of the *Janus v. AFSCME* Supreme Court decision and other conditions of employment with the City of Seattle (herein referred to as “City;” together the City and this Coalition of City Unions shall be referred to as “the Parties”); and

## **Background**

In June of 2018, the United States Supreme Court issued the *Janus v. AFSCME* decision. In response to this change in circumstances, this Coalition of City Unions issued demands to bargain regarding the impacts and effects of the *Janus v. AFSCME* Supreme Court decision.

Included in the Parties collective bargaining agreements is a subordination of agreement clause that in summary states, *It is understood that the parties hereto and the employees of the City are governed by the provisions of applicable federal law, City Charter, and state law. When any provisions thereof are in conflict with or are different from the provisions of this Agreement, the provisions of said federal law, City Charter, or state law are paramount and shall prevail.*

The parties have agreed to engage in negotiations over the impacts and effects of this change in circumstances to reflect compliance with the *Janus v. AFSCME* Supreme Court decision.

### **Agreements**

#### **Section A. Amended Union Dues and Membership Language**

The Parties agree to amend and modify each of the Parties' collective bargaining agreements as follows:

#### **Article X – Union Engagement and Payroll Deductions**

The City agrees to deduct from the paycheck of each employee, who has so authorized it, the regular initiation fee, regular monthly dues, assessments and other fees as certified by the Union. The amounts deducted shall be transmitted monthly to the Union on behalf of the employees involved. The performance of this function is recognized as a service to the Union by the City and The City shall honor the terms and conditions of each worker's Union payroll deduction authorization(s) for the purposes of dues deduction only. The Union agrees to indemnify and hold the Employer harmless from all claims, demands, suits or other forms of liability that arise against the Employer for deducting dues from Union members, including those that have communicated a desire to revoke a previous deduction authorization, along with all other issues related to the deduction of dues or fees.

The City will provide the Union access to all newly hired employees and/or persons entering the bargaining unit within thirty (30) days of such hire or entry into the bargaining unit. The Union and a shop steward/member leader will have at least thirty (30) minutes with such individuals during the employee's normal working hours and at their usual worksite or mutually agreed upon location.

The City will require all new employees to attend a New Employee Orientation (NEO) within thirty (30) days of hire. The NEO will include an at-minimum thirty (30) minute presentation by a Union representative to all employees covered by a collective bargaining agreement. At least five (5) working days before the date of the NEO, the City shall provide the Union with a list of names of their bargaining unit attending the Orientation.

The individual Union meeting and NEO shall satisfy the City's requirement to provide a New Employee Orientation Union Presentation under Washington State law. The City of Seattle,

including its officers, supervisors, managers and/or agents, shall remain neutral on the issue of whether any bargaining unit employee should join the Union or otherwise participate in Union activities at the City of Seattle.

New Employee and Change in Employee Status Notification: The City shall supply the Union with the following information on a monthly basis for new employee's: name, home address, personal phone and email (if a member offers), job classification and title, department, division, work location, date of hire, hourly or salary status, compensation rate.

Any employee may revoke their authorization for payroll deduction of payments to their Union by written notice to the Union in accordance with the terms and conditions of their dues authorization. Every effort will be made to end the deductions effective on the first payroll, and not later than the second payroll, after receipt by the City of confirmation from the union that the terms of the employee's authorization regarding dues deduction revocation have been met. The City will refer all employee inquiries or communications regarding union dues to the appropriate Union.

#### Section B. Agreement on Impacts of the *Janus v. AFSCME* Supreme Court Decision

The Parties further agree:

1. Member Training: During each year of this agreement a Union's principal officer may request that Union members be provided with at least eight (8) hours or one (1) day, whichever is greater, of paid release time to participate in member training programs sponsored by the Union. The Parties further agree that the release of employees shall be three (3) employee representatives per each Union in an individual Department; or two percent (2%) of a single Union's membership per each department, to be calculated as a maximum of two percent (2%) of an individual Union's membership in that single department (not citywide), whichever is greater. The approval of such release time shall not be unreasonably denied for arbitrary and/or capricious reasons. When granting such requests, the City will take into consideration the operational needs of each Department. At its sole discretion, the City may approve paid release time for additional employee representatives from each Department on a case-by-case basis.
2. The Unions shall submit to the Office of Labor Relations and the Department as far in advance as possible, but at least fourteen (14) calendar days in advance, the names of those members who will be attending each training course. Time off for those purposes shall be approved in advance by the employee's supervisor.

3. New Employees: The City shall work with the Seattle Department of Technology to develop an automated system to provide the Union with the following information within ten (10) working days after a new employee's first day of work: name, home address, personal phone and email (if a member offers), job classification and title, department, division, work location, date of hire, hourly or salary status, compensation rate, FTE status. Until the process has been automated the departments may provide the Union notice at the same time the department notifies SDHR benefits, by sending an email to the Union providing the notice of hire. Upon automation departments may elect to not provide notice to the Unions and official notice will only be given by SDHR. The Parties agree to continue to work with departments to provide notice of new hires to the Union no later than 10 working days from the employee first day of work.
4. This agreement is specific and limited to the referenced demand to bargain and the associated negotiations related to the impacts regarding the *Janus v. AFSCME* decision and sets no precedent or practice by the City and cannot be used or introduced in any forum or proceeding as evidence of a precedent or a practice.
5. Issues arising over the interpretation, application, or enforceability of the provisions of this agreement shall be addressed during the Coalition labor management meetings and shall not be subject to the grievance procedure set forth in the Parties' collective bargaining agreements.
6. The provisions contained in "Section B" of this MOU will be reviewed when the current collective bargaining agreements expire. The Parties reserve their rights to make proposals during successor bargaining for a new agreement related to the items outlined in this MOA.
7. This Parties signatory to this MOU concur that the City has fulfilled its bargaining obligations regarding the demand to bargain filed as a result of the *Janus v. AFSCME* Supreme Court decision.
